DEDICATION

THE 1949 IVY

dedicates

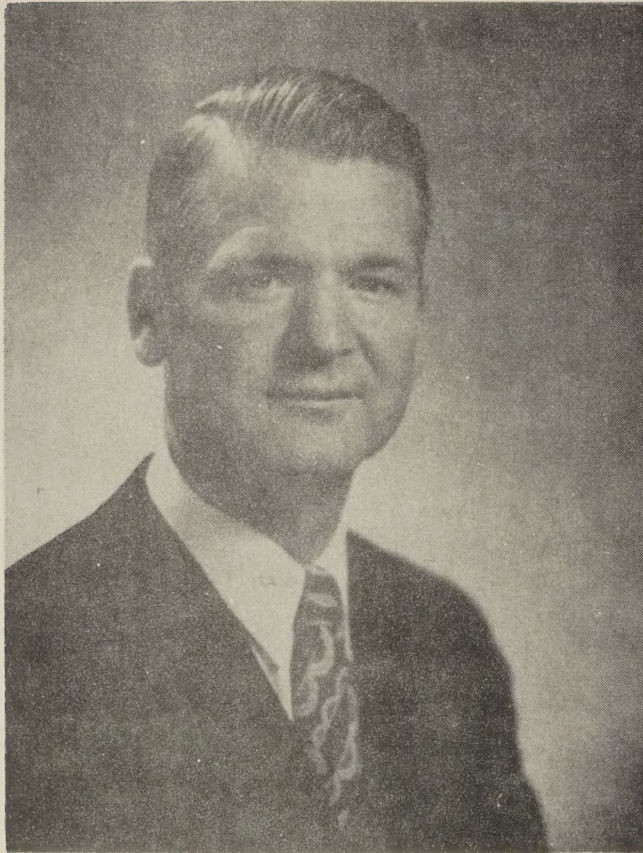

This the third volume to one who has, in the four years he has been with us, meant more than a few words can express. His cheerful disposition and wonderful personality will be remembered long after he has gone. Those of us who have known him not only as a teacher and coach, but also as a friend, will never forget his sincerity in helping us and willfulness to undertake any task for the betterment of the school. For these reasons and many more we dedicate this annual to our best loved coach -

PROPHECY

1. A hugh funeral procession headed by a Cadillac hearse is seen on Pennsylvania Avenue. It is the funeral of the latest U. S. president of which "Mud" is a sole director.
2. Helen Barrow's name may be found on all the original models of the latest Paris fashions I regret to state that she is too particular to marry a man.
3. Ida Hart is the coach of N. C. State's championship boys basketball team. Jimmy Marlatt sits on the bench as usual.
4. Patsy Irby is the ambitious wife of Chief Admiral Kitchin. She has to be ambitious for they now have five little Admirals.
5. Rebecca Simons pictures are found in all the current magazines advertising all kinds of shampoos, but rumors say that she always has her hair shampooed for her since she married the Ford man.
6. Barbara Williamson has been sued for damage by Gene Krupa for beating his drums too hard.
7. Thomas Wells is having son trouble. It seems that he spends too much time at the college but Thomas' wife doesn't mind. She says she can sympathize with the college girls for she was once one herself.
8. Barbara Gamble can be found busily helping her Mother - in - law in the new Blackstone Memorial Hospital. However, Ansell is her steady patient.

9. June DeBerry is the new head nurse at Johnston - Willis will resign soon to marry Tommy Manville.
10. Jane Brugos is just a plain housewife but she makes a good one, especially a good cook. She has been offered Betty Crocker's job, but she declined saying her place is with Sonny and the children.
11. Herbert Winn, as captain of the Notre Dame football team has lead his team to victory over Army, Michigan, Southern Methodist, and Pennsylvania, but B. H. S. defeated him by the score of 60-0.
12. Kennett Comstock has perfected the Atomic Bomb so that it can be used as a harmless experiment in the Chem. Lab., much to the sorrow of high school students.
13. Jimmy Harris is ruling with a iron hand as President of Hampdent-Sydney College. He has not forgotten his hobby dancing on Thursday, tho.
14. Jimmy Kitchin has greatly improved the reputation of the sailors; instead of a girl in every port, they now have two.
15. Helen Ryder's flute concert at Carnegie Hall draws crowds from everywhere. Box offices announce that tickets are all sold out, so husband and daughter, Jessica will have to sit behind stage.
16. Richard Clay, Raymond Pomeroy, and David Hawkes are now County Agents of Amelia, Dinwiddie, and Nottoway counties, respectively. When asked where they achieved their abilities, they announced, "Mr. Thweatts' Agriculture, 1949."
17. Nancy Lee West is now perfectly happy since foreign affairs are settled and her long awaited man has returned from overseas. Nancy is kept very busy managing Johnny, Jr.
18. Jeanne Staton now lives in a lovely Connecticut home after creating such a success in her best seller, "HOW TO KEEP A MAN".
19. Billy McKissick is now retired on a huge salary, earned by being the "most successful manager of Rose's Five and Ten."
20. Bernard Pinchbeck, president of "Pinchbeck's Dairy" tells how his experience in working at Anne's farm made him a success.
21. Sarah Lewis has quit her office work in town to settle down in contentment as Mrs. Gibbs.
22. Harold Grammer has been made president of B. C. G. College officials said that he stayed up there so much, that he could handle college affairs much better than they could.
23. Harry James baffled as the new trumpet sensation arrives in New York. Munden firmly believes that his success is due to the B. H. S. band.
24. Betty Eades's picture is on the front of every newspaper in the United States as she reigns as Queen of the New Orleans Mardi Gras.
25. Betty Ann Abernathy is now coach of girls basketball at B. H. S., however, she will soon retire because babysitters are so high; she just can't afford one for Odell, Jr. any longer.
26. Elsie Hammack has instigated a heavy argument at the United Nations Convergence. When she started talk, others could get a word in edgewise.
27. Joan Crudup retains B. H. S. as a teacher has completely revolutionized the desk situation. All one seat has been removed and two seated ones have been installed.
28. Betty Brantum and her husband are seen in the fiftieth floor of the Empire State Building. They are tied in the record of the fastest typists.
29. Frances Hood and her husband are back in B. H. S., teaching; secretly laughing as their pupils struggle with the bookkeeping problem.
30. Herbert Cundiff has written a book of "the Best Time To Sleep," dedicated to Mrs. Jordan's English Class.
31. A. R. Daniels, a Spanish teacher in B. H. S. "Art" was so familiar with the language, that he found it difficult to remember any English.
32. H. T. Clark, well known lecturer on "How Not To Fall In Love" tours country, advising young boys.
33. Chap Rodenhizer and William Rogers are Co-owners and founders of new College for Mid-gets at William and Mary. They declare that most of their students come from B. H. S.
34. Waverly Copley, new comedy sensation of Broadway. Red Skeleton is flabbergasted as Blackstone boy takes his place in New York.
35. Anna Inge may be seen in the new musical, "My Secret Love." She has just divorced her sixth husband, Herbert Cundiff, wealthy author.
36. Campbell Epes is having quite a time proving that the world is square instead of round--oh well, he'll fall off someday.
37. Stuart White is still breeding earthworms (a result of the '49 Senior Play). His newest breed is Lumbricus Communis.
38. Wallace Mitchell has almost completed the most complete set of encyclopedias ever published, entitled "The Moon Book".
39. Margie Wilson is the new dean of women at Vassor College and is also correcting Emily Post's book of etiquette.
40. Hugh Coleman may be seen any week policing Blackstone Main street at night. He has been on the police force for quite a while.

Barter Players Present "Papa Is All"

B.H.S. Football Team Posts Season's Record Of 8 Wins And 1 Loss

The Blackstone High School "Rams" went through the 1948 girdron campaign winning 8 out of 9 games. Led by co-captains Cundiff and Pinchbeck, the "Rams" opened by overpowering Kenbridge. The following week Emporia, regional champions this year, handed B. H. S. its first and only defeat. The Rams bounced back with an easy win over Chase City and on the following weekend they took the measure of a much heavier Hargrave eleven, 20-6. After a crumhing 47-0 victory over Chester, the "Rams" had a fight on their hands before they finally won from Victoria 13-7. Following weeks saw the "Rams" take Farmville, Lawrenceville, and Crewe in order. The season's record is as follows:

B.H.S.	53	Kenbridge	0
B.H.S.	6	Emporia	12
B.H.S.	45	Chase City	0
B.H.S.	20	Hargrave	6
B.H.S.	47	Chester	0
B.H.S.	13	Victoria	7
B.H.S.	33	Farmville	0
B.H.S.	25	Lawrenceville	7
B.H.S.	20	Crewe	0

I.
If Wallace Mitchell wasn't a brain I fear he'd oft times complain I mean him no harm But Anne Crudup's charm Will drive that poor boy insane.

II.
A gay fellow is ole Rives Hardy Where there's food, he's never too tardy He feels no disgrace In feeding his face But he's really the life of the party.

GOSSIP

"Mee oww—I'm The B.H.S. Cat"

Meoww. Meoww.

Edward Powell and Nancy Inge really seemed to have had a good time at the carnival together last week.

Elsie Lee Krieder, thinks riding motorcycles is about the safest transportation of all. (I'll stick to riding witches brooms.) Barbara likes Kaisers.

Better be a little more reserved Dudley around Jimmy Bowen. I mean, doesn't Hampden-Sydney still have a claim?

One of the best history makers since Columbus' discovery was that hay ride. Thanks to the Library Club.

Have you noticed how Anna lights up like a neon sign at the games when Herbert makes a spectacular play?

Even the B. H. S. cat can't get much of a scoop on the B. C. G. versus high school boy's cases. All we know is that college girls are more restricted this year except to H. T., Jim Harris, Thomas and Bunny.
